ABOUT ME

Devid Farinelli (07/11/1993)

Living in Minerbio, 40061, BO, Italy

I'm a **Master Computer Science student** at the University of Bologna (Italy) and a developer passionate about the **Javascript** world

I often work on **Open Source Software** on **Github** and sometimes ask and answer questions on **Stack Overflow**

I participate in events/conferences and in my free time I organize local technical events for the Google Developers Group (**GDG Bologna**) which I founded some years ago with some friends (meetup.com/gdgbologna)

SKILLS

Web Development

I'm confident with *Node*, *React* and *Typescript*, *npm/yarn*, web development in general and *3D web development*
I've also worked with *Webpack*, *Angular*, *Cordova*, *Vue*, etc

Cloud Services

I'm confident with *Firebase* and I've worked with cloud services like *GCP*, *AWS,* Azure and Alexa

DevOps

I'm confident with the most used continuous integration services like Travis CI and Azure Pipeline

Learning

Technology evolves fast, I'm on track with the latest developments of *WebAssembly*, *PWA*, *WebComponents* and many upcoming *WebAPI*

I've spent quite a few time reading *Blockchain* whitepapers, learning *Computer Graphic* and experimenting with *Machine Learning*

I also know some C, C++, Rust, Java, **Python**, OCaml, Erlang and **Dart**

EDUCATION

University of Bologna (2016 - probably 12/2019) in progress

Master degree in Computer Science
Average Grade: 29.55

University of Bologna (2012 - 2016)

Bachelor degree in Computer Science
Score 98/110

ITIS Odone Belluzzi (2007 - 2012)

Bachelor degree in Computer Science
Score 86/100

WORK

12/2018 - present

OSS Javascript Developer
Webpack (Remote work)

After contributing to Webpack, I've been selected globally for the "Google Summer of Code 2019" to design and develop a modular output reporting system for webpack
